## Letter of Recommendation

To whom it may Concern,

Please be advised the forementioned company;

External Building Contractors Pty. Ltd.  
Suite 22, 350 Kingsway  
Caringbah NSW 2229

Established since 1996, is an approved and recommended fabrication/installation company suitably qualified in the Alucobond installation techniques applicable to Residential, Commercial and Industrial façade cladding.

Alucobond Architectural Pty. Ltd. is satisfied that the said company is of professional standing and displays sound quality and trade credentials that conform to good building practices and current Australian building standards.

The company is familiar and proficient in the various Alucobond fixing methods/ systems which include;

Alucofix fixing system  
Flat stick fixing system  
Fixed cassette fixing system

I trust the information provided is of assistance and I would be pleased to provide further information and/or project references if required.

Regards,

Ben Di Giorgi  
Sales & Technical Manager – NSW
